

**BizTech  
is looking for**

**a few good  
companies**

**NOW ACCEPTING APPLICATIONS  
From technology companies  
and innovators**

**BizTech**, the technology incubator for the Tennessee Valley... is accepting applications for new technology companies to join our client group of entrepreneurs.

BizTech helps small companies develop emerging technologies for the global marketplace.

BizTech provides mentors, training, contacts, business services, and access to investors.

BizTech's criteria for new client companies:

- An entrepreneur to be the focal point for the company
- A scalable business that develops unique, technology-based products or services
- A product or service less than 24 months from market
- A willingness by the company to leverage the services of BizTech

**BizTech Accepts Clients in  
Biotech, Energy, Health Care, IT,  
and Life Sciences**

September: BizTech announces new client recruitment plan

October : BizTech accepts applications

November: Community CEOs review applications

December—January: New clients admitted

To Apply: Complete the application at [www.biztech.org](http://www.biztech.org). Questions: Contact Donna Lamb 256-704-6000.

Submit your company's business plan, if available, to [donna@biztech.org](mailto:donna@biztech.org).
